

Step into the future – with us !

Do you feel like working in Switzerland for a few years? Are you looking for a new challenge?

We are a leading transport and logistics company based in Switzerland with over 1'900 employees and subsidiaries in more than 20 countries all over Europe, specialised in services for the chemical industry.

In view of the expansion of the co-ordination of our 15'000 tank-containers, we are looking for ambitious and dedicated

Transport Planners and Junior Managers

We offer

- intensive on-the-job training in our operative business
- secure and stable employment and a positive working atmosphere in a young and dynamic team.

You are

- between 20 – 40 years young, interested in logistics and possibly have practical experience in transport business.
- willing to work in the German part of Switzerland for a longer period of time.
- able to remain cool despite the hectic pace in the business.
- flexible and have a conscientious working method.

Long term commitment, devotedness, interest in continuous on-the-job training as well as enjoying international contact, are prerequisites for this very versatile job.

If you speak English fluently and are also able to communicate in German, we should get to know each other. Are you interested to take on this challenge? Then send your written application to:
