BERTSCHI RECEIVES TWO PERFORMANCE AWARDS BY TOTAL PETROCHEMICALS

During the annual haulier day 2008 the Bertschi Group has received two prestigious awards for "Best Overall Performance" at **Antwerp** as well as **Carling** production site. At these two production sites the local Bertschi subsidiaries are providing transport services of dry bulk products as well as other and site-specific logistics services.

Despite the significant lack of tank capacities and operational difficulties with railway operators within Europe during the last year the Bertschi offices have been very strong cooperating and fulfilling all logistics related requirements given by Total Petrochemicals and to the highest expectations of their end-users.

Luc Cassier, key account manager responsible for Total Petrochemicals within the Bertschi Group stated that "We feel very privileged to receive two awards at the same time as the only logistics service provider of Total Petrochemicals. Such reward demonstrates the strong commitment towards Total Petrochemicals as well as the tremendous efforts from the operations and planning personnel during the past several months providing qualified and reliable transport services and although the logistics environment was very difficult to deal with."
