

THE BERTSCHI CUSTOMER PORTAL

Are you tired of slow, back-and-forth email exchanges when it comes to placing new orders or requesting changes? We have the perfect solution for you.

Say goodbye to delays and hello to speedier processes by utilizing our new, user-friendly, Book & Manage app.

UNLOCK THE POWER OF EFFICIENCY!

Use the Bertschi Customer Portal to
Book & Manage Your Orders!

THE BOOK & MANAGE APP

AN ULTIMATE GAME-CHANGER!

EXPERIENCE THESE POWERFUL FEATURES!

Instant Booking

With just a few clicks, you can swiftly place new orders directly through the app. Say goodbye to writing lengthy emails and waiting for a response.

Streamlined Order Management

No more hunting for scattered email threads! From placing new orders to tracking their progress, everything is conveniently accessible within the same platform.

Instant Email Confirmations

No need to wait! Stay informed about your order status from the get-go with automatic email confirmations.

Swift Edits and Cancellations

Need to make changes to your order or cancel it altogether? You can now and modify or cancel your orders right within the app.

Time-Saving Features

Access Track&Trace visibility, additional costs and stock list overviews, automatic notifications, and all your transport documents entirely in one app.

Enhanced Efficiency

The Book & Manage app is designed to optimize your workflow, ensuring that you can manage your orders seamlessly. Say goodbye to the frustrations of email-based processes and embrace the speed and convenience that our app brings to the table.

CUSTOMER PORTAL

GIVE IT A TRY!

With our intuitive design and powerful features, it's never been easier to manage your orders. And since it's free to use, there's no reason not to give it a try.

Request access to the Book & Manage app now and start experiencing the power of efficiency at your fingertips.
